General information to all Gilsum residents and landowners

Transfer Station

The Transfer Station is being operated by Monadnock Disposal Services.

Bags must be purchased from the attendant at the Transfer Station.

The bags are \$2.00 each and cash is not accepted.

There is a price list for large/ bulky items posted at the Transfer Station; as always recycling is free.

Please speak to the attendant for details.

DOGS

All dogs in the town must be licensed with the Town Clerk by April 30th.

Dogs must either be leashed or under the voice control of the owner at all times,
per Gilsum's Leash Ordinance.

Building Permits

Residential:

All additions or changes to your structure in excess of 100 square feet need a permit.

Permit applications are available at the Town Offices.

Commercial:

Please contact the Selectmen for any type of commercial usage of your property.

The selectmen will then determine what you will need to do next.

Go to the building inspector, go to the planning board or go to the board of adjustment.

Roads and Highways

Parking:

No parking is permitted in any town right of way during the winter months when winter maintenance is in progress.

Any vehicles in any town right of way during this period are subject to
being towed at the owner's expense.

Mud Season:

All roads will be closed to any vehicle over 6,000 pounds for the duration of mud season.

Contact the Road Agent for exceptions.

GILSUM PUBLIC LIBRARY

Librarian's Report 2014

This year there was an increase in audio and ebook lending through the NH Downloadable Book Consortium. The Gilsum Library patrons who used it downloaded 355 titles. This popular service is easy to use. Go to <http://nh.lib.overdrive.com> to be provided with all the information you need to install the free media software and to checkout and download titles. Contact the library for your patron card number and access code before using the service for the first time. This current collection includes more than 7000 audiobooks and more than 9000 ebook titles.

We added 108 books to the library and removed 97 giving us a collection of 10,354. Our patron file contains 75 children's cards and 393 adult cards for a total of 468 registered borrowers. There were 59 hours of public use computers. There were 1004 visits to the library, 1142 materials were checked out and we borrowed 131 items from other area libraries.

Our book group continues to meet on the 4th Tuesday of the month. The Summer Reading Program "Fizz, Boom, Read" concluded with an ice cream sundae party. We lost our 16th annual reading contest to Sullivan. We were delighted again this year to offer family fun with the Easter Egg Hunt, the Scarecrow Making Contest and the Holiday Cookie Decorating Party. We held our annual Rock Swap Book Sale and Rock Swap Ice Cream Sale to enhance the needs of the library.

Some services for the community are wireless internet, photocopying service, purchase of Gilsum Village History Maps, Gilsum Postcards, NH Mine and Mineral Books and the reprinted Gilsum History. In the fall, Home Healthcare Hospice and Community Services offered flu shots to area residents.

We appreciate the generous donations from everyone who donated to the library in 2014. Many thanks go to the devoted library trustees for their support of the library. Trustee meetings are held on the 2nd Thursday of the month at 6:30 and are open to the public.

Library Hours: Monday 12:00-4:00 & 6:00-8:00; Tuesday 6:00-8:00; Wednesday 12:00-4:00; Saturday 10:00-12:00.

We look forward to seeing you at the library. New faces are always welcome.

Gail Bardwell, Librarian.

**GILSUM VOLUNTEER FIRE DEPARTMENT
AND RESCUE SQUAD**

To the Residents of the Town of Gilsum, NH

In 2014 the Department responded to a total of 98 calls. This represents about 390 manhours being expended by the members of the Department. The hours do not reflect the time spent by the members in Department training, meetings, continuing ed, work details and the time needed to put equipment back in service after a call.

A three year comparison of the Department's calls follows;

	2014		2013		2012	
FIRE	23	23.47%	16	17.58%	17	18.89%
RESCUE	62	63.27%	63	69.23%	64	71.11%
MUTUAL AID	6	6.12%	7	7.69%	3	3.33%
MVA'S	7	7.14%	5	5.49%	6	6.67%
TOTAL	98		91		90	

Department members continue to take advantage of opportunities to improve their skills as various classes become available. One member of the Department has completed the testing requirements and is now licensed as an Advanced EMT. Other members of the Department have completed or are in process of completing the classroom and skill requirements needed to be relicensed as EMT's. This is a process that must be completed every two years.

The Department did experience some damage to the station and the loss of some equipment during the July 2013 flooding. The station has been repaired and our damaged equipment has been replaced. The repairs to the station and the replacement equipment were paid for by the Town's insurance company.

In addition to the flood repairs the Fire Station has had a new furnace installed and an alarm system, high and low temperature, has recently been completed. The alarm system is monitored 24/7 by Mutual Aid, at no cost to the Town.

The installation of a hydrant in the area of the Boy Scout area is complete, except for some painting. The Department has located two other locations for hydrants and hope to start work on these sites in the spring. The Frog Pond has been dredged, the hydrant has been cleaned and is now back in working order.

If anyone has questions about the Department, whether it be about fire or rescue, please feel free to stop at the station on Sunday mornings or the first or second Wednesday evenings of each month. These are the times when someone is usually at the station.

All the members thank the taxpayers of Gilsum for the support that you have shown the Department in the past and that we know you will continue to show the Department in the future.

**GILSUM EMERGENCY MANAGEMENT
GILSUM, NH**

Most residents are probably not aware that there is a group of people that are responsible for the overall management of emergency situations such as power losses, severe storms, flooding etc. within the Town. This group is headed by our Emergency Manager along with various Department heads from the Town and select Department heads from outside the Town such as the Sheriff's Office. The purpose of this group is to insure that the Town has the needed resources to handle an emergency situation.

In the past few years the Town's Hazard Mitigation Plan was updated to reflect current standards. Currently, the group is working to update the Town's Emergency Operation's Plan. These documents are necessary for the Town to apply for and accept Grants from the Federal Government and the State that can be used for Emergency Management.

At the present time, the Group is working on the establishment of emergency shelters and completing some of the paperwork needed to get approval to use a building as a shelter. The group has started to work on a grant application for funding some emergency power applications for the emergency shelters. Most of the grants are 50/50 grants, but the Town is able to use the time spent by members of the group in meetings, doing research or on the actual construction of a project toward the Town's share.

In the past, the Emergency Management group, has not requested Town funds. This year we are requesting that the Selectmen establish an expendable trust account for the use by the Emergency Manager. The initial amount being requested is \$2,000.00. These funds will be used to purchase supplies for the various shelters and could be used to meet the Town's portion of any grants that we may receive.

2014 Annual Report

The Cheshire County Sheriff's Office continues its long standing commitment to provide the Town of Gilsum, New Hampshire contracted police services. This commitment has benefitted both entities over the years. The relationship between the community and Sheriff's Office has been a very positive experience.

In 2014, we saw some decreases and increases in our services:

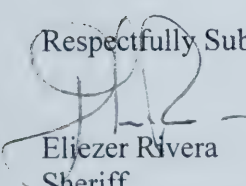

- 1054 Calls for Service, decrease of 13.7% (2013 = 1213)
- 323 Motor Vehicle Stops, increase of 17% (2013 = 276)
- 22 Accidents, increase of 4.7% (2013 = 21)
- 15 Investigations, decrease of 40% (2013 = 25)
- 21 Arrests, increase of 200% (2013 = 7)
- 816.5 work hours, increase of 11.2% (2013 = 734)

Deputy Sergeant Caleb Dodson will continue to oversee Gilsum police services, assisted by Deputies Donald Melvin, Joshua Paulette, Mark Cotton and Denis Abrams.

The Sheriff's Office will continue to provide contracted police services that are fiscally responsible, within budget and thoughtful to the needs of the Town.

I look forward to serving the Town of Gilsum in 2015.

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzy Winchester Hinsdale

2014 Annual Report

The Ashuelot River Local Advisory Committee (ARLAC) was established in 1994, one year after the Ashuelot River was enrolled into the State Rivers Management and Protection Program. Members are nominated by local municipal officials and appointed by the Commissioner of the NH Department of Environmental Services (DES). This year we participated in both regional and state-wide meetings for Local Advisory Committees.

The volunteer **Ashuelot River water quality monitoring program** continued for its fourteenth season, in conjunction with the DES Volunteer River Assessment Program (VRAP). ARLAC members, working with community volunteers, participated in a spring training session, leading into monthly sampling May through September.

- We sampled 11 sites along the River's 64-mile length, and 3 sites along the South Branch in Swanzy.
- We obtained E. coli samples from June through September, and total phosphorous samples from July through September.
- The cost of lab analyses was covered by contributions from Conservation Commissions along the River and DES.
- 170+ hours were logged by 17 volunteers. New volunteers are welcome!
- A quick look at this year's results:

E.coli--most samples met the "class A" (potential water supply) level for surface waters; upstream of the Keene Wastewater Treatment plant and the waters down to the Cresson Bridge occasionally failed "class A" but still met the "class B" standard. The Ashuelot River is classified as "class B," meaning that it is considered suitable for fishing, swimming and other recreational uses.

Total Phosphorus--no samples reached the "level of concern."

pH levels— continued an upward trend with readings in the 6.10+ range, and many reaching 6.5+. The upper reaches (Marlow & north) tend to be the most acidic, with readings as low as 5.71. Acceptable level is 6.5-8.0.

Dissolved oxygen, chloride, turbidity, and specific conductance remained within the standard.

As mandated by DES, **ARLAC reviews and comments on state permit applications** within the River corridor that have potential impacts on the River. Included this year were:

- 11 Wetland, Shoreland or Alteration of Terrain projects in Marlow, Surry, Keene, Swanzy, Winchester, and Hinsdale.
- 6 site visits.
- 5 NHDOT projects in Keene, Swanzy, and Winchester.
- Low Impact Hydropower Institute certification of Ashuelot Hydro projects.
- Support for procurement of Aquatic Mitigation Funds for restoration of a Falls Brook culvert in Swanzy.
- Advocacy for River access with a new canoe/kayak access established at the new Swanzy-Winchester Rte 10 bridge.

We strive to educate ourselves on a broad array of issues associated with the River and its watershed. We hope to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities. Activities included:

- A presentation by Dr. Denise Burchsted on West Street Dam fluvial geomorphology and river restoration.
- 2013 River monitoring data analysis by Dr. Stephen Stepenuck.
- Review of the Dwarf Wedgemussel study at West Street in Keene.
- Participation in the Lempster Town Forest Spring Birdwalk.
- A winter hike along the Headwaters of the Ashuelot River in Washington.
- Serving as a resource to Keene State College students who were conducting senior projects.

The **Annual River cleanup** took place on two dates:

- October 4 in Swanzy; 12 volunteers collected 500 pounds of trash from the Ashuelot River.
- October 10 in Keene, in conjunction with the Keene State College Community Service Day; 110 volunteers removed 1,760 pounds of trash and 420 pounds of recyclable metal from the Ashuelot and Branch Rivers and Beaver Brook

We now have a Facebook presence as the *Ashuelot River Local Advisory Committee*.

River monitoring data can be viewed at des.nh.gov/organization/divisions/water/wmb/vrap/data.htm.

Current E.coli results can be viewed during the monitoring season at www.ctriver.us.

ARLAC meets the third Tuesday monthly at 7 p.m. at the Keene Public Library. We invite citizens and town officials to contact their local ARLAC representatives with any concerns or interest in participating as a town representative.
